

**A world of fun & learning!**

[www.tinytownnursery.co.uk](http://www.tinytownnursery.co.uk)

**“to us, we are a family, that means putting your arms around each other and being there”.**

# a world of happiness...

**Tiny Town Nurseries provides a world of happiness for both children & parents. Our nurseries are as unique & individual as your children. We offer the distinctive combination of the highest standards of childcare with an educational, nurturing, homely &, most importantly, – loving environment!**

At Tiny Town Nurseries the needs, rights and views of every child and parent are at the centre of our practice and provision.

Our reflection and search for continuous improvement has moulded an environment where your children will not only receive exceptional standards of childcare and development but;  
Can laugh, jump and yell when they are happy and excited;  
Will get a hug when they are sad and; upset; Are encouraged when quizzical;

Inspired to play, learn and be children!

We enable children aged between 6 weeks and 5 years to experience every day as a new adventure. By utilising their senses, maximising their strengths and supporting the exploration of their environment, every child will develop their own individual skills, interests and personalities.

welcome...

**Putting your arms around each other and being there”.**

# knowing how to play...

A day at Tiny Town can be challenging, rewarding, involving and exhilarating from indoor and outdoor physical play, to the relaxing and stimulating surroundings of the sensory environment.

Your child will experience the hustle and bustle of organised games and activities to the creativeness of painting the latest masterpiece for the fridge at home.

Above all, you can be sure that we will cater for your child's continuing need for time, space, resources and playmates, helping them develop into a well-rounded, unique, confident individual.

**“Tiny Town Nurseries offer a stimulating and enabling environment where children can direct their own learning”**

**“Happiness is knowing how to play”.**

how to play

# dedicated key staff..

It takes a very special kind of person to work with children. People that understand the responsibilities they hold in shaping the early years of a child's life, that can identify how their own skills and experiences can be transferred into helping a child's development.

Our recruitment process ensures that every employee has undergone OFSTED Registrations and ISA Safeguarding checks, but also that it is the most passionate, genuine and HAPPY people who take care of your children.

At Tiny Town we have a highly qualified team, exceeding the Early Years Foundation Stage

statutory requirements.

All staff have opportunities for continuing professional development which creates a highly motivated team.

**“We give your child the best possible start in life”**

**are shared to enrich the experience of our children”.**

# under 2's...

Every child needs to know they are special. The secure, warm and safe environment of our *baby & toddler* unit coupled with well planned, consistent provision enables our babies and very young children to make choices and to become deeply involved from an early age.

At Tiny Town you can be confident in the knowledge that your little one is safe and cared for with their own key person who in partnership with you gives your baby the opportunity to learn new experiences. Through continual observations, staff use the Early Years Foundation Stage Framework to encourage your child's development and nurture their individuality.

The stimulating environment and experiences the children

have; allows them to make important connections about 'what they know' and 'who they are'.

To us, it is all about developing children's playful interactions, imagination and learning, by allowing your toddler to explore his/her world through play and by giving them plenty of space to happily practice their skill of movement and balance.

A typical busy day may involve building a brick tower and

knocking it down, dressing up or getting very messy exploring media and materials. Whatever activity your child enjoys most he/she will have the opportunity to make their own decisions and choices, building self-esteem and also learning about others and their needs by forming positive relationships.

**“Every child needs to know they are special!”**

under 2's

**“Toddlers are cheeky and energetic explorers...”**

# over 2's...

“Learning is a continuous journey through which children build on all the things they have already experienced and come across new and interesting challenges”

Department for Children, Schools & Families

EYFS 2008

Tiny Town provides a range of stimulating opportunities to embed a secure foundation for future learning. We ensure children are able to make a positive contribution and achieve whilst enjoying the learning experience. Staff support children's language development using songs, books and conversation.

At the end of a session your child's key person will share details of their day using photographs, verbal feedback

and a written account for you to take home and share with the rest of the family.

**“Experience every day as a new adventure”**

over 2's

**“...providing a range of stimulating opportunities”**

**“every child’s  
personal  
and physical  
well-being  
is safeguarded!”**

# food, nutrition & safety

We ensure children are given varied and healthy foods, providing a freshly prepared mid-morning snack, a two course hot meal for lunch and a snack in the afternoon. Our menus have been designed with the help of an approved dietician.

Our menu is designed to provide balanced and nutritious meals and snacks.

Making sure all meals are served using the most fresh and appropriate ingredients for the child's diet, health, allergy and cultural requirements means you have one less thing to worry about!

Every child's personal and physical well being is safeguarded. Our detailed health and safety policies and procedures include; state of the

art CCTV, door entry, alarm and fire systems.

Stringent staff vetting means you can be confident that your child will be playing in a hygienic, safe and secure environment.

**“Your child's safety is everything to us... there is no compromise”**

**quality, difference & diversity are valued & celebrated”**

# in summary...

**At Tiny Town we strive in every way to create an environment for your child that is full of social activity, fun, play and educational development. We encourage and value your input as a parent.**

We hold an open house policy so you can come to visit your children any time – any day. Our staff are available to you at the end of each nursery session to provide an update on your child's progress and we always welcome your thoughts or opinions on our services and your child's needs. Tiny Town Nurseries continually strive to improve the provision and welcome feedback from parents, we have comment sheets and send out annual parent questionnaires to ensure we know your views.

At Tiny Town we understand how difficult it can be placing your child in nursery for the first time. You may have feelings of indecision, apprehension, guilt and sometimes fear, which is completely natural and very understandable! Our flexible settling in policy provides support for children and parents by assessing each family's individual requirements.

We want you to be safe in the knowledge that we have a commitment to the children in our care to give them the best possible start in life, developing a

positive identity, self-esteem and respect for others.

So... take some time, pop in as often as you like, and discuss any concerns, questions or queries with our staff, we are always happy to help and will always find time for you.

in summary...

**“Let our hopes for our children outweigh our fears”**

Tiny Town Nurseries would welcome you to discuss your child's nursery care. Please feel free to contact us and we will be pleased to assist you further.
